SEPTEMBER 2023

President's Report

Welcome to the September 2023 edition of the ANCHOR.

Whilst I'm writing this before the AFL Grand Final you won't be reading it until afterwards. I hope your team did you proud regardless of the result. There's always next year...

AGM

We had our 2023 AGM on Saturday 19 August 2023. The executive distributed copies of the President's report and the financial statement for 2022-23. These have been attached here for those who are interested but didn't make it to the meeting.

We are financially stable and run a pretty lean ship. We have continued to provide scholarships to two WHS students in years 9, 10 and 11. This costs \$1500 per year and comes mainly from donations made by members over and above their annual subs.

The major issue we face is the dwindling membership and the subsequent lack of

interest in taking up active roles on the management committee. The

Annual Reunion

This will be held on **Wednesday 29th November 2023**. It will be in the library at Pasco St from 10:00 am till 12:30pm.

In previous years we have tried to send targeted invitations to ex-students who are celebrating 50 years since their class graduated. Unfortunately we have arrived at a period in the schools records where there is scant information available to assist us in this task.

We have gleaned information from High Tide for the class of 1973. The names of all the 6th formers are listed on page 5. If you know where any of these people are now please let them know that we are organising this function and they are welcome to attend.

There will also be a large number of people who were in this year but didn't go as far as 6th form. They too are very welcome as are all of our members of any year.

Any ex-students or staff are welcome to attend our reunions. There's no charge involved and the morning tea is therefore well worth the admission!

President's Report

Welcome to the AGM for 2023.

It has been a long year.

The committee of management has continued to meet roughly monthly throughout the last 12 months.

We have maintained the production of ***The Anchor*** to keep our members up to date with the activities of the association and to provide relevant information about WHS.

We have also continued the presentation of scholarships thanks to donations from our members.

Our membership has continued to decline. We now have around 90 paid up members. Recruiting younger members has remained a major challenge for us.

Our annual reunion in Early December 2022 was well attended. Hopefully the coming one will be equally good. Watch the newsletter for the date.

Hold Fast!
