PAYMENT ARRANGEMENTS YEAR 10 2026

Dear Parent/Guardian,

Williamstown High School is looking forward to another highly successful year of teaching and learning and would like to advise you of Williamstown High School's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

Support and contributions from families allows us to offer a wider range of subjects and special curriculum experiences for our students, including instrumental music, enhanced digital learning experiences and upgrades of our school buildings. Every effort has been made to minimise the costs; however, any increase is due to genuine price rises for individual items and resources.

You can also make tax-deductible voluntary contributions towards our Building Fund. In 2026, with your donations, we hope to continue to upgrade our external environments for our students and expand our student leadership and inclusion spaces.

We want to thank our families for all your support thus far as your contributions have made a huge difference to our school and the programs we can offer.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Educational items for students to own

Please see the Year 10 and VCE Booklist for a list of items that the school recommends you purchase from JP Books for your child to individually own and use.

Financial Support for Families

Williamstown High School understands that some families may experience financial difficulty and offers a range of support options, including:

- the Camps, Sports and Excursions Fund
- State Schools Relief
- Student Assistance Fund.

For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements, please contact the Business Manager, Tess Duerden on 9397 1899 or by email to williamstown.hs@education.vic.gov.au

Payment methods

Payment can be made with credit card via Compass or over the counter at the General Office by credit or debit card or cash payments from Monday, 8 December 2025.

Refunds

Parent requests for refunds where students are unable to attend events will be considered on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy, and any other relevant information.

Yours sincerely,

Gino Catalano
Principal

Kane Harnden
School Council President

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
